OVERVIEW

Three ways to move through the same six days in Seoul, wellness, culture, and K-beauty woven around a private dermatology consultation. Every version below includes your guided days and entrance to each experience. Choose how much of the logistics you'd like handled for you.

DAY 1 | ARRIVAL IN SEOUL

AIRPORT TRANSFER & CHECK-IN

Land at Incheon and settle in before your first evening in Korea. Included with the Fully Curated Experience, arranged as a private transfer straight to your hotel.

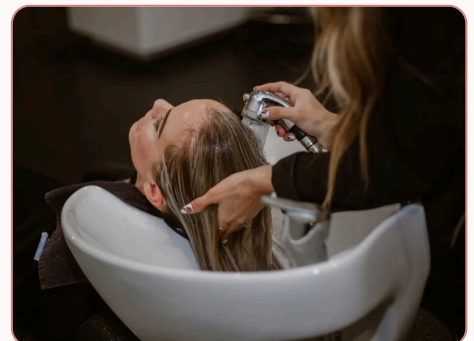

Overnight: Seoul

DAY 2 | K-WELLNESS EXPERIENCE

HEAD SPA, 15-STEP RITUAL

A guided day built entirely around your scalp and hair. Microscopic scan, oil massage, scalp treatment, and a second scan so you can see the difference before you leave the chair.

Overnight: Seoul

DAY 3 | K-CULTURE WITH HANBOK

GYEONGBOKGUNG PALACE, IN HANBOK

Rent and wear traditional hanbok for the day, then walk the grounds of Korea's largest royal palace exactly as it was meant to be seen.

N SEOUL TOWER & NAMSAN

Close the day above the city. The cable car up Namsan Mountain and the view from N Seoul Tower are the postcard moment of the whole trip.

Overnight: Seoul

DAY 4 | K-BEAUTY & SHOPPING

SKIN ANALYSIS, FACIAL & PERSONAL COLOUR ANALYSIS

A full skin diagnostic, a customized facial built around what it finds, then a personal colour analysis so you know exactly which shades actually work for you, in makeup and in your wardrobe.

MYEONGDONG: SKIN1004 FLAGSHIP & PHARMACY

Explore Korea's biggest K-beauty shopping district, including the Skin1004 flagship store and a Korean pharmacy known for its derma-cosmetics and skin analysis counter.

Overnight: Seoul

DAY 5 | CLINIC VISIT

DERMATOLOGY CONSULTATION & TREATMENT

A private consultation at a Korean dermatology clinic, no fixed package, the treatment is built around your skin and your goals that day. Billed directly by the clinic, separate from your trip price.

Overnight: Seoul

DAY 6 | REST & RECOVER & FREE TIME

YOUR DAY, YOUR PACE

No guide, no fixed plan, just space to rest after your clinic visit or explore Seoul on your own before you fly home.
